

Capability statement

Overview

Specialist Partners for General Trade and Services L.L.C (SPGTAS) is a licensed company in Iraq delivering a wide range of solutions and support services to FVEYS, and their allies and partners.

SPGTAS was established in Iraq in 2022 and is part of the Austability group of companies, first formed in 2015 and now working in more than 20 countries around the world.

SPGTAS has developed reputation for its high-quality services and client-focused approach, fostering strong and enduring relationships. We customize our services to address the unique needs of each client.

Capabilities

Our visionary pragmatism and two separate, yet complimentary, service areas make us the strategic partner of choice for our valued clients.

Resource Acquisition and Sustainment (RAAS)

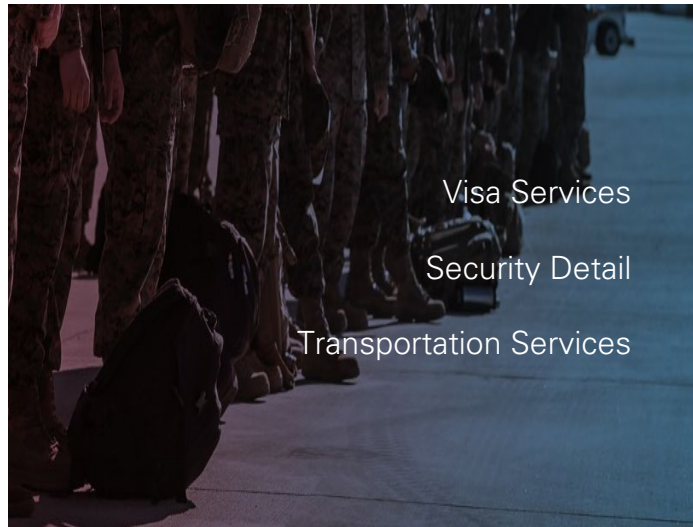

- Flexible and scalable integrated base operational support services, ensuring critical operations continue smoothly
- Designed for austere, conflict, and post-conflict environments.
- 330 Austability projects worldwide since 2021

Advisory and Knowledge Transfer (AKT)

- Building capability through internationally accepted Train, Advise, and Assist (TAA) frameworks.
- In-house experts and globally recognized leaders, supported by a network of specialists and industry partners.
- 30 Austability projects worldwide since 2021

Differentiators

We deliver exceptional solutions by combining deep industry expertise, a strong global presence, and a commitment to innovation.

- **Extensive Industry Experience:** Over 70% of our team has hands-on defense and security backgrounds, ensuring operational excellence.
- **Global Reach, Local Execution:** Our well-established network allows us to adapt and deliver seamless solutions worldwide.
- **Forward-Thinking Solutions:** We leverage cutting-edge technology and modern methodologies to drive efficiency and long-term impact.

Past Performance

International Zone, Iraq

Delivered recruitment services to U.S. companies, sourcing qualified personnel to meet critical mission requirements. Delivered timely, efficient staffing solutions that supported operational success in a high-demand environment.

Balad Air Base, Iraq

Provided Government of Iraq (GOI) visa services to U.S. companies, ensuring compliance with local regulations and facilitating seamless entry and operations for personnel.

Naval Base, Iraq

Delivered specialized ad hoc security support services to a U.S. company during their attendance at the Naval Base, ensuring the safety and security of personnel and assets throughout their operations.

Security and Compliance
